**Pro Tip:** Potato flakes are perfect for making rich, delicious mashed potatoes. They're also a great way to add fluffiness to breads and pastas, thicken sauces or fillings, or to use as a binding agent for extra-moist meatballs.

### InstaMash Preparation

1. **Measure** 1 gallon (3.79 L) of hot water (160 - 180°F) into a 4" x ½ size steam table pan.
2. **While adding** entire pouch of potatoes, gently blend mix with spoon or wire whip. **DO NOT WHIP.**
3. **Place** on steam table, heat to serving temperature and serve.

**NOTE:** For creamier mashed potatoes add more hot water.

### Potato Flakes Preparation

1. **Combine** 1 ¼ qts boiling water, 1 ¾ tsps salt, ¼ cup butter and 2 ½ cups cold milk into a 6" x ½ size steam table pan or mixing bowl.
2. **Pour** in 11 ½ oz. potatoes. Stir by hand or use paddle mixer set at **LOW** speed - about 10 to 15 seconds. For best results, do not overmix - **DO NOT WHIP.** Serve.

**NOTE:** See website for more serving size directions.

We honor the integrity of the potato through our proprietary cooking method, which preserves the taste, texture, and quality unique to Certified 100% Idaho® Potatoes.
