MASHED POTATOES*

Hot Water Preparation

1. **Measure** 1 gallon (3.79 L) of boiling water into a 6" x 1/2 size steam table pan.
2. **Add** entire pouch of potatoes at once, using a spoon or wire whip to distribute evenly and wet all potatoes.
3. **Let stand** 60 seconds, stir well, and serve.

NOTE: For creamier mashed potatoes add more boiling water.

We honor the integrity of the potato through our proprietary cooking method, which preserves the taste, texture, and quality unique to Certified 100% Idaho® Potatoes.
